S K Sirothia (NCRA-TIFR India)

Presentation Requested: oral

Category: Role of AGN in Galaxy Evolution in the ALMA Era

Question: Is AGN feedback more, less or equally important as stellar feedback? Is this dependent on the galaxy types and how? What is the role that ALMA and other new facilities like NuStarr play in addressing this question?

Panchromatic clues in AGN-host galaxies for understanding Merger Feedback and supermassive black holes in first galaxies

Panchromatic clues in AGN-host galaxies for understanding Merger, Feedback and supermassive black holes in first galaxies.
