(C) Are /are not presently indicted for, or otherwise criminally or civil charged by a governmental entity with, commission of any of the offenses enumerated in subdivision (a)(1)(i)(B) of this provision.

(ii) The Vendor has /has not , within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

This Certification Concerns a Matter within the Jurisdiction of an Agency of the United States and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution Under section 1001, Title 18, United States Code.

(b) Vendor/Customer shall provide immediate written notice to the Buyer if, at any time prior to contract award, the Vendor/Customer learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror's responsibility. Failure of the Vendor/Customer to furnish a certification or provide such additional information as requested by the Buyer may render the Vendor non-responsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of Vendor/Customer is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Vendor/Customer knowingly rendered an erroneous certification, in addition to other remedies available to the Buyer and/or the Government, the Buyer may terminate the contract resulting from this solicitation for default.

14. Vendor/Customer agrees to immediately advise AUI/NRAO of any event that affects the accuracy of the information contained in the declaration provided herein
