What would you like to see changed?

• Get copy of presentations before speech
• Publish workshop objectives beforehand
• Longer breakout sessions
• Room setup (narrow) not ideal
• Solicit topic ideas from participants
Topics for next year’s workshop

• Topic suggested:
  – Maintenance related issues
  – State of Affairs for different LFs
  – Science-based presentations
  – Sustainability
  – Construction phase issues

• Broadening participation?
• International collaborations?

• Suggestions?
